CARE House - Baldwin County Child Advocacy Center

In 1985, the Baldwin County Department of Human Resources, Sheriff's Department and District Attorney's office formed a Multi-Disciplinary Team in order to limit this lengthy and traumatic investigative process. It soon became evident that a central location was needed - one that would convey protection, comfort, dignity and care. CARE House opened its doors in 1989. CARE House continues to provide a child-friendly environment for the child victims of sexual abuse.

People Engaged In Recovery (P.E.I.R.)

P.E.I.R. is a recovery organization for those seeking recovery from substance use disorder. These services assist in removing barriers to recovery, help individuals stay engaged in the recovery process, and live full lives in communities of their choice. The services include peer-led support groups, peer mentoring, yoga and meditation, LGBTQIA + support groups, and basic life skills.
